Startup Hackathon 1.0 創業黑客松
Theme: Education Hack & Innovation

Organised by HKBU Entrepreneurship and Innovation Centre, and supported by HKBU TriAngle and Wofoo Leaders' Network, the very first Startup Hackathon was successfully concluded on 13 November 2021.

Startup Hackathon is a solution-based business competition that brings together teams with the common goal of quickly solving problems within a 6-hour preparation time. Six finalist teams presented 2 different topics focusing on EdTech. Two champions were born under this new mechanism.

We would like to express a huge thank you to all coaches and judges for their unfailing support to our new initiative; namely:

Judges:

Mr. Anthony LEUNG (Co-founder, Silk Road and Belt Technology)
Mr. Ken WONG   (Managing Director, Formex Financial Press)
Dr. YM WONG   (Director, Entrepreneurship & Innovation Centre)
Ms. Yvonne YEUNG   (Executive Editor, Life Net)

Coaches:

Mr. Clement CHU   (Project Manager, Chinese Estates Holdings Limited)
Mr. Aaron HUI   (Business Development Director, AgilePoint)
Mr. Alex LAU   (Lead Instructor, Tecky Academy)
Dr. Wendy LEE   (Regional Manager, Autodesk Far East Limited)
Ms. Ivy SHUM   (Co-Founder, Homey-Shop)

Prof. Ed SNAPE, Dean of the School of Business was invited to present the award to 2 Champions.
They are:

Team A2:

Baiel MUZURAIMOV   (Computer Science, Year 1)
Destiny UCHE   (Computer Science, Year 1)

Team B2:

FANG Jian   (Master of Information Technology Management, Year 1)
TANG Zhiye   (Master of Data Analytics & Artificial Intelligence, Year 1)
YANG Xu   (Master of Information Technology Management, Year 1)
ZHOU Shucheng (Master of Information Technology Management, Year 1)

Congratulations to the winning teams and thank you very much to everyone!
